LABOR for INNER WEST COUNCIL WORKING FOR YOU

BUILD BACK BETTER AFTER COVID

Labor will support the whole inner west to build back better, including expanding outdoor dining, backing in our local businesses and jobs, nurturing our arts and creative industries and supporting everyone to get out and about safely with new initiatives like an inner west pool pass.

CLEANER, GREENER SUBURBS & LOCAL CLIMATE ACTION

Labor will commit extra budget to expanding and improving our parks, planting thousands more trees and getting more solar panels on roofs. We'll introduce a free service to advise homeowners on how to improve energy efficiency and sustainability in their homes and cut energy costs, empowering households to take real action on climate.

FOOD RECYCLING FOR EVERY HOME

Apartment dwellers have loved our food recycling program - Labor wants to roll it out to EVERY home across the inner west - and combine this with regular free workshops on reducing food waste in the first place.

SUPPORTING FAMILIES AND COMMUNITIES

Mat will always support our local childcare centres and Magic Yellow Bus, and will work to roll out more sport and rec facilities across the Inner West. Mat is also passionate about introducing a program for wayfinding and walking buses to make it safer for kids to walk and ride to school.

GETTING THE BASICS RIGHT

Labor knows Council has to get the basics right - fix up those footpaths and potholes, troubleshoot parking issues, and mow our verges regularly. Labor will streamline our DA processes and introduce a Customer Service Charter so you can rely on better service when you need it.
